PROFILE

A dedicated and detail-oriented Software Engineering student with strong foundations in Computer Science and hands-on experience in full stack web development. Known for adaptability, problem-solving, and a proven ability to thrive in fast-paced environments. Eager to contribute technical knowledge, teamwork, and innovation to deliver high-quality solutions in the software industry.

EDUCATION

Software Engineering Technician Diploma, Centennial College — Toronto, ON
(Sept 2024 – Present)

• GPA: 4.11 / 4.5 (Dean's List Standing)
• Courses: Web App Development, Advanced Database Concepts, Java Programming, Software Engineering Fundamentals
• Projects: Developed full stack applications (e-commerce, car rental, hotel reservation, doctor's appointment)
• Applied secure authentication features in MERN stack projects.

Bachelor of Science in Computer Science, De La Salle University — Lipa City, Philippines (May 2003 – Mar 2007)

• Focus: Programming, Data Structures, Software Design
• Courses: Data Structures and Algorithms, Object-Oriented Programming, Database Management Systems
• Achieved strong academic performance in core programming courses.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, HTML, CSS, SQL, Node.js, React, Express, MongoDB
Software Tools: Eclipse IDE, Visual Studio Code, Git/GitHub, Postman
Databases: Oracle, MongoDB, MySQL
Other Skills: POS Systems, Quality Assurance Standards, SDLC, Troubleshooting, Task Prioritization

CERTIFICATIONS

• IBM Java Developer Cadet Program (IBM Solutions & GXS Philippines)

WORK EXPERIENCE
Tim Hortons — Markham, ON (Dec 2024 – Present)
Cashier / Sales Associate

• Delivered excellent customer service and handled transactions efficiently.
• Managed food preparation, cash handling, and POS operations during peak hours.
• Recognized for strong teamwork and adaptability.

Hyundai Motors — Ulsan, South Korea (Aug 2013 – Jul 2024)
Production Line Worker

• Maintained high production efficiency while ensuring quality assurance.
• Conducted inspections and collaborated to resolve issues quickly.
• Exceeded daily production targets and earned recognition for performance.

IBM Solutions (Cadet Program) & GXS Philippines, Inc. — Makati, Philippines (May 2007 – Apr 2009)
Java Developer (Cadet Program)

• Developed and maintained Java applications using Eclipse IDE.
• Assisted in bug fixes and enhancements to improve system performance.
• Promoted from cadet to project deployment in just 3 months.

LEADERSHIP & VOLUNTEER EXPERIENCE
Vice President – Centennialista Filipino Club (2024 – Present)
• Supported cultural initiatives and organized student engagement events.

PERSONAL INTERESTS
• Building MERN stack projects for learning and real-world simulation.
• Cycling and exploring Toronto to stay focused and disciplined.
